

NIWC ATLANTIC 8A INCUBATOR (SPAWAR)

SWIFTINTEL JV

swiftINTEL is an 8(a) joint venture between BlueSun Technologies and OBXtek Inc. that stems from a long-standing business relationship based on trust and common corporate values. *swiftINTEL* is a Small Business Administration (SBA) approved Mentor-Protégé Agreement.

We understand the Naval Information Warfare Center (NIWC) Atlantic's requirements for Command, Control, Communication, Computers, Cyber, Intelligence, Surveillance and Reconnaissance Center (C5ISR) electronics and communications services and solutions to successfully complete the missions within its portfolio. As a prime, *swiftINTEL*, understands NIWC's missions and is fully capable of delivering the C5ISR areas and associated tasks required to support the NIWC mission objectives.
